

Little's Crafts Instructions

Day 4: Wise Builder Fidget Spinner

Supply Check

- 1 hex bolt
- 2 hex nuts
- 1 acorn cap nut
- 2 wing nuts
- 1 – permanent marker
- Nuts and bolts matching page

Instructions

1. Lay out all of your nuts and bolts in your workspace.
2. Grab the nuts and bolts matching page. Match all of the pieces on the page.
3. Take the 2 wing nuts and color those with your permanent marker. Once you're done coloring them, place them back on your matching page.
4. Grab your bolt and put the fatter, flat side down on the table.
5. Next grab one of the wing nuts and screw it on your bolt. The "wings" should be down, towards the table. It should look like legs.
6. Now grab your two hex nuts and screw those on your bolt.
7. After, place the last wing nut and screw it on your bolt. The "wings" should be up, towards the ceiling. It should look like arms raised.
8. Next, grab your cap nut and screw it on tight at the end of your bolt.
